# Our EAP add-on to *Shoorah Business*

Comprehensive support for your team's wellbeing.

Investing in our EAP add-on is a proactive way to support your team's wellbeing and enhance workplace culture.

By offering 24/7 access to professional support, you can significantly reduce workplace stress, improve mental health, and enhance productivity.

Our EAP add-on helps to reduce absenteeism by providing your employees with the resources they need to manage personal and professional challenges. Whether it's counselling, legal advice, or financial support, our services ensure that your team feels valued and empowered to perform at their best.

The Shoorah Business EAP add-on provides businesses with a powerful tool to support employee mental health and wellbeing. It ensures that employees, managers, dependents, and partners have access to 24/7, 365 support through telephone, video, and in-person counselling services. With multiple plan options, businesses can choose the level of support that best suits their needs.

By strengthening your company's commitment to mental health, the EAP Add-On demonstrates that you prioritise the wellbeing of your employees. This not only boosts morale but also helps to foster a more resilient, engaged, and loyal workforce.
