

ShoorahTM

Join our *exclusive marketplace*

Showcase your offers to a highly engaged audience.

Our exclusive marketplace connects premium brands with a highly engaged audience seeking top-tier products and services.

Shoorah offers a seamless way to showcase exclusive deals, ensuring brands gain visibility among users dedicated to self-improvement and wellbeing.

Why join Shoorah marketplace?

Access to a Growing User Base

Shoorah's marketplace connects you with a rapidly growing and highly engaged community of users passionate about self-improvement and wellbeing. Tap into a base that's committed to discovering premium services that align with their lifestyle.

Partner with Trusted Brands

Join a platform trusted by leading names in health, wellness, and lifestyle sectors. By featuring your brand alongside these respected companies, you gain visibility and credibility with users who value quality.

Effortless Integration and Promotion

Our marketplace offers a seamless experience to showcase your exclusive offers. With intuitive tools, you can easily highlight your deals and drive high-intent traffic directly to your website or booking system, ensuring premium conversions.

Shoorah Pixel

We supply you with our "Shoorah Pixel" - a powerful tool used to retarget users who don't complete a purchase, understand their journey, and track sales generated specifically from Shoorah users.

How It Works?

Simply provide your offer details, and our team takes care of the rest - integrating, promoting, and managing the offer seamlessly for you.

0.1 Exclusive Shoorah-Only Discounts

Your offers will be available exclusively to Shoorah users, giving you access to a dedicated audience eager for premium deals. This invite-only model creates a sense of exclusivity that drives conversions directly through our marketplace.

0.2 Magic URL & Promo Code

Each offer includes a unique Magic URL, linking directly to your website or booking system, along with an exclusive promo code for easy redemption by users. This ensures a smooth and efficient customer experience.

0.3 User Engagement & Insights

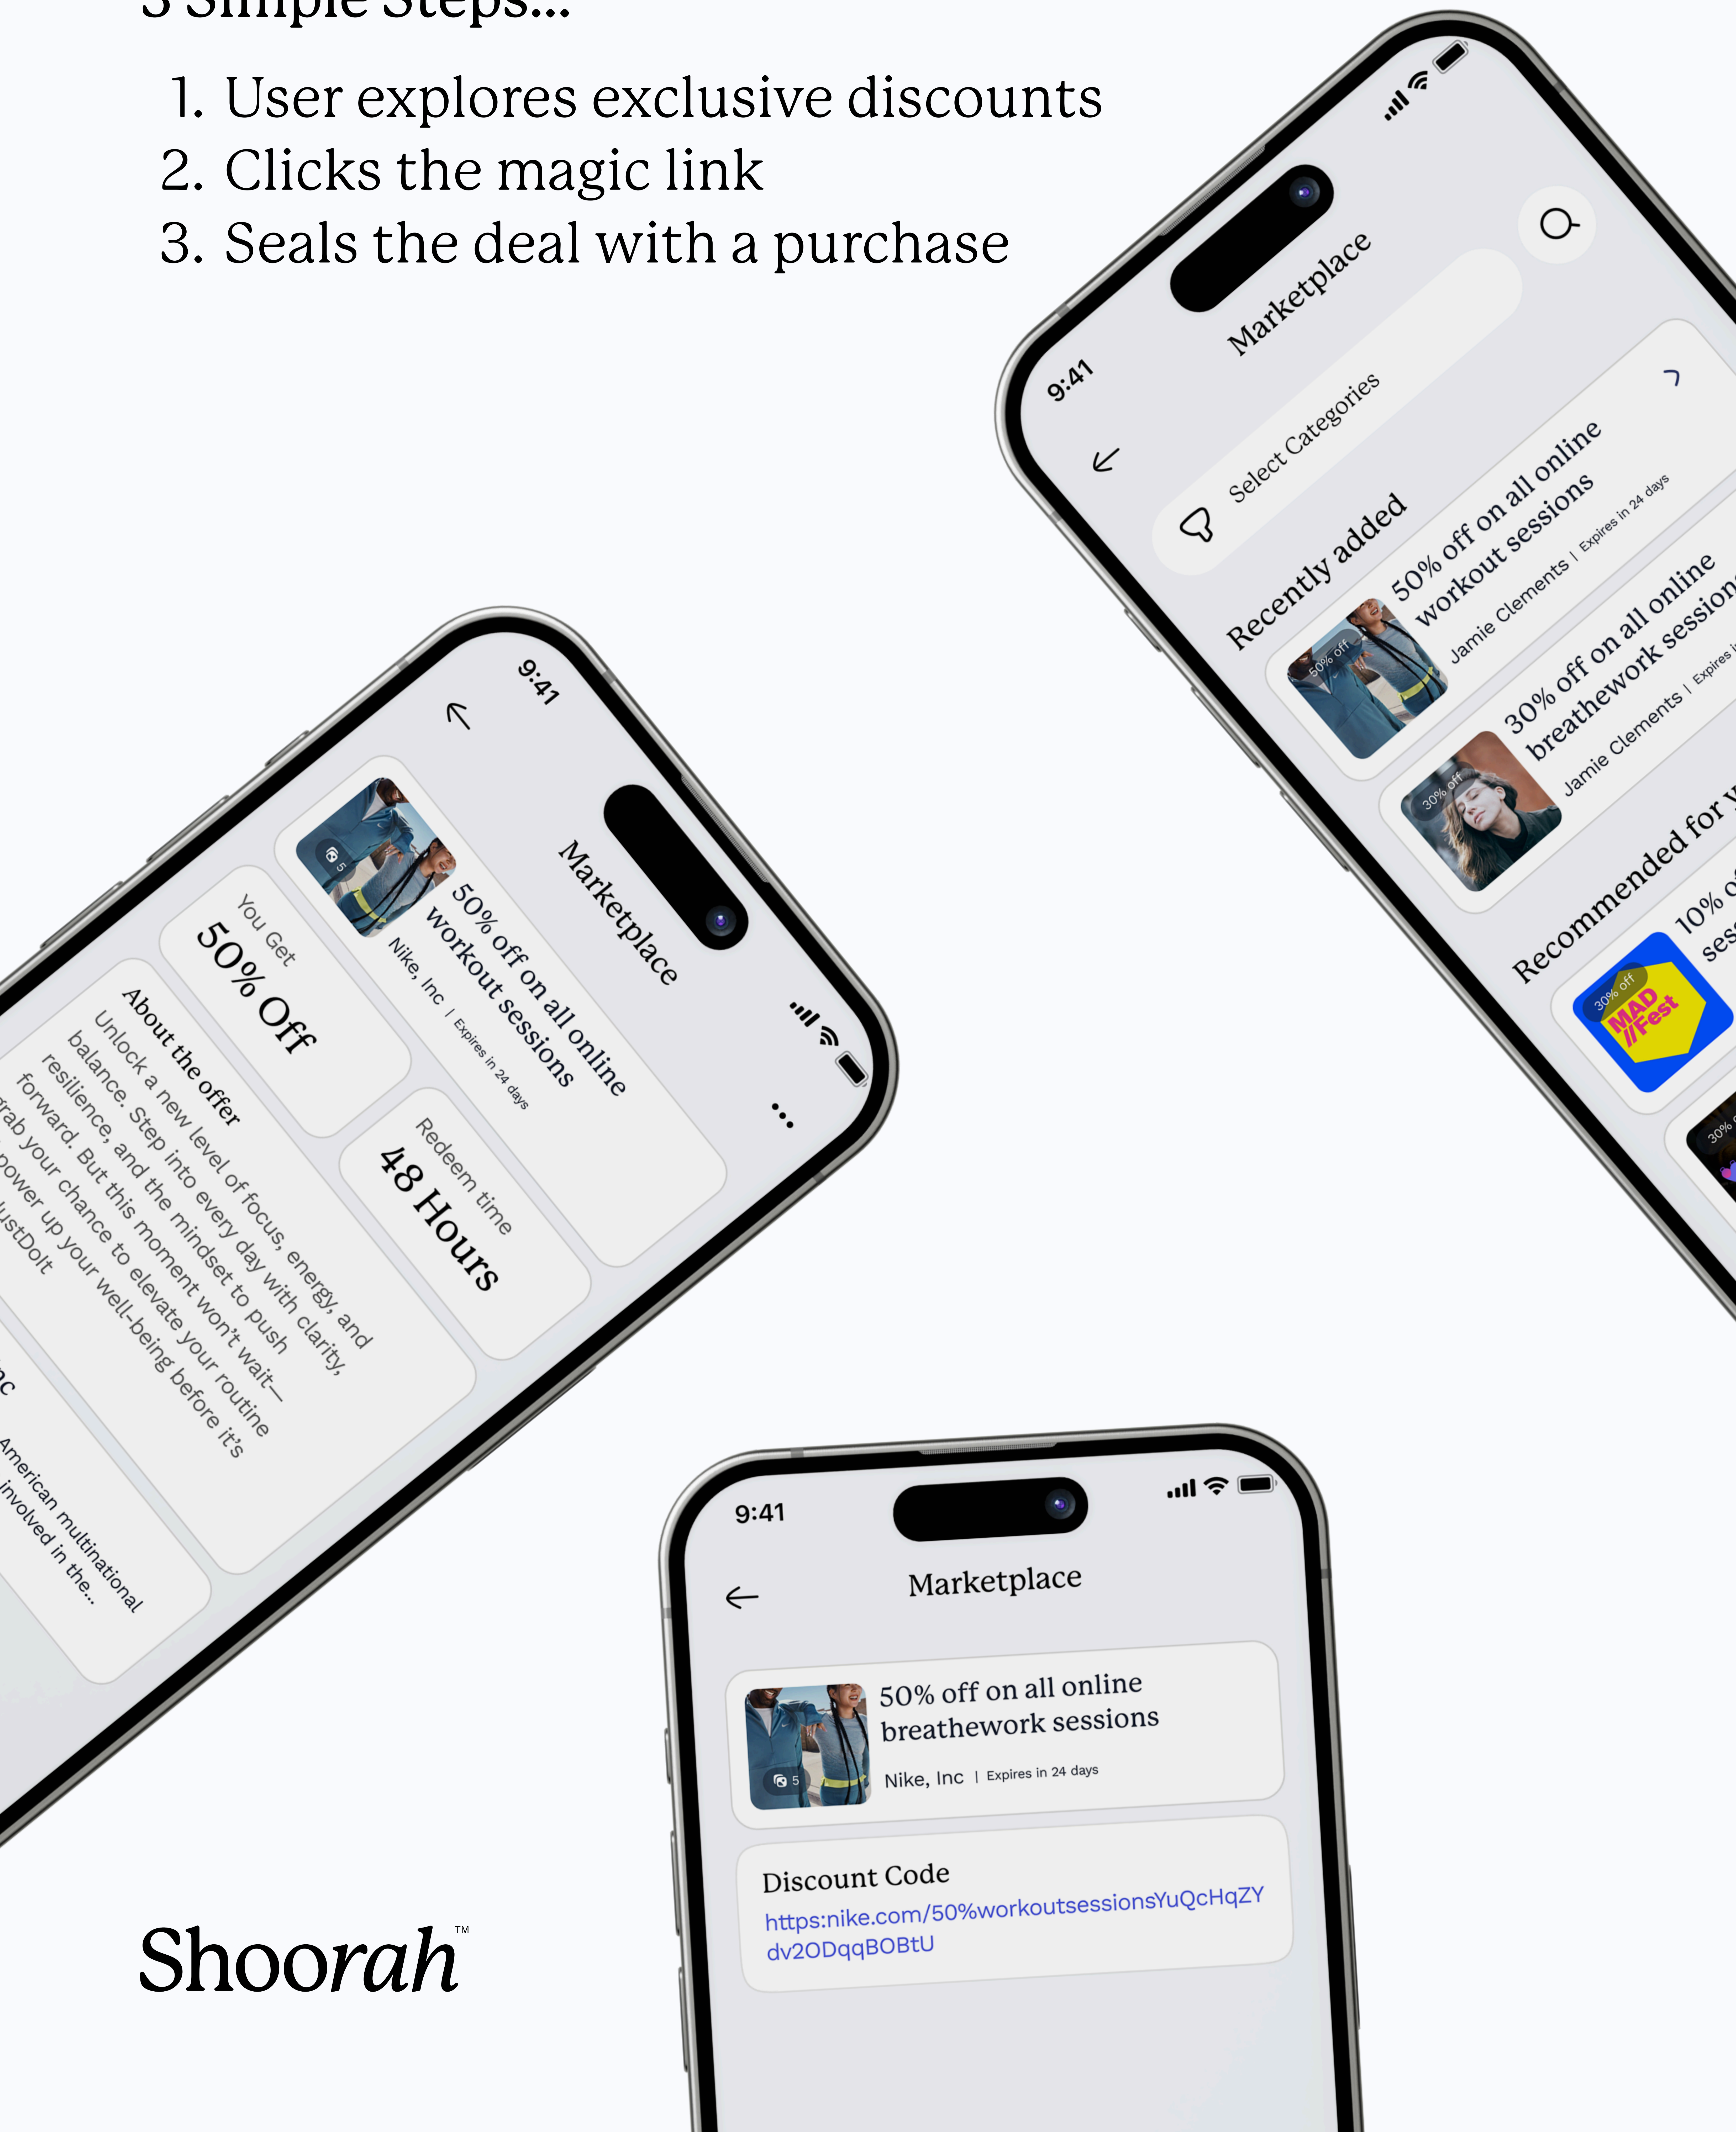

Track real-time engagement through our analytics dashboard, giving you valuable insights into how many users view and click on your offer. This helps you assess performance and optimise your strategies.

0.4 Effortless Setup & Management

Once you provide the necessary offer details—including imagery and a URL for the deal/offering—we handle the rest. Our team manages the offer's integration, promotion, and updates, ensuring a seamless experience while you focus on growing your business.

3 Simple Steps...

1. User explores exclusive discounts
2. Clicks the magic link
3. Seals the deal with a purchase

Shoorah™
